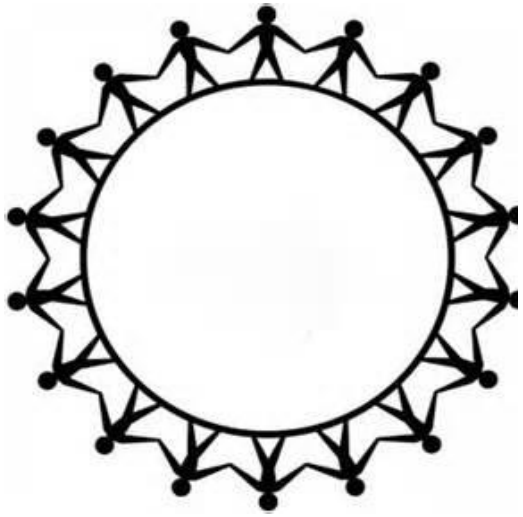
# STRUGGLING BECAUSE OF A LOVED ONE'S DRUG ADDICTION?



# YOU'RE NOT ALONE

A SUPPORT GROUP FOR FAMILIES AFFECTED BY A LOVED ONE'S ADDICTION

## GOD

GRANT ME THE SERENITY TO ACCEPT THE THINGS I CANNONT CHANGE.

THE COURAGE TO CHANGE THE THINGS I CAN.

AND THE WISDOM TO KNOW THE DIFFERENCE.

*[Brochure subtitle or company tagline]*

Addiction is a disease that affects the whole family.

Have you ever lied to cover up for their mistakes?

Made up excuses for their behavior?

How many “this is the last time”s have you helped your addicted loved one?

Shut yourself out from the rest of the world?

**You’re not alone.**

# SHARING IS HEALING

Our meetings are anonymous which means you can safely share your story. The important things is that you reach out for help so that ***you*** can begin to heal. Peace ***can*** be found in the chaos of a loved one’s addiction.

By taking care of yourself first, you will have more energy and strength to help your loved one in their battle with addiction. You can’t make someone enter recovery but, you can find a place of understanding and peace for yourself while you wait for that day to come.

Like our loved ones, we need to find recovery for ourselves. It does take work but, the results are worth it.
