“Trauma Informed Safety”

Complete the registration form and submit. This process needs to be completed to ensure an attendance certificate (with CEUs if applicable) is sent to you after the training.

Trauma Informed Safety for Home Visitors

Presented by:

Brian White, Crime Prevention Officer
Findlay Police Department

Sgt. Brian Dill
Findlay Police Department

and

Amber Wolfrom, MA, OCPC
Hancock County ADAMHS Board

As more health and support services take place in the community setting, particularly homes, there are an increasing number of professionals who see people in detached or isolated settings. This training opportunity is for professionals and volunteers that perform home visits and agency administrators who develop policies and procedures related to home visitation. Risks and liabilities will be addressed, as well as personal and organizational strategies for staff and client safety.

Select the training opportunity that best fits your schedule:

Monday, August 14, 2017

Noon-2:00 pm
(boxed lunch provided)

Blanchard Valley Hospital

Poe Auditorium
1900 South Main Street
Findlay, Ohio 45840

Wednesday, August 16, 2017

8:30 am-10:30 am
(continental breakfast provided)

Blanchard Valley Hospital

Marathon Auditorium
1900 South Main Street
Findlay, Ohio 45840

Learning Objectives:

1. Increase understanding of situational-awareness related to residential visits
2. Identify potential safety concerns, procedures and practices related to residential visits
3. Explore how prevalent trauma histories are among clients can expose workers to vicarious trauma

This training is FREE and open to those that serve Hancock County.

Training Organized By:

Hancock Public Health
Findlay Police Department
Blanchard Valley Hospital
Hancock County Board of Alcohol, Drug Addiction & Mental Health Services
