

# Assess Your Substance Use

You can complete this form online and then print the form for easy reference. Only text that is visible on the form is printed; scrolled text will not print. Any text you enter into these fields will be cleared when you close the form; you cannot save it.

The following questions are about your use of alcohol and other drugs. Click on or check the box next to each question that is true for you. You can figure your results on page 2.

During the **past 6 months**:

1. Have you used alcohol or other drugs (such as wine, beer, hard liquor, pot, coke, heroin or other opioids, uppers, downers, hallucinogens, or inhalants)?	<input type="checkbox"/>
2. Have you felt that you use too much alcohol or other drugs?	<input type="checkbox"/>
3. Have you tried to cut down or quit drinking or using alcohol or other drugs?	<input type="checkbox"/>
4. Have you gone to anyone for help because of your drinking or drug use (such as Alcoholics Anonymous, Narcotics Anonymous, Cocaine Anonymous, mental health professionals, or a treatment program)?	<input type="checkbox"/>
5. Have you had any health problems? For example, have you: <ul style="list-style-type: none"><li>• Had blackouts or other periods of memory loss?</li><li>• Injured your head after drinking or using drugs?</li><li>• Had convulsions or delirium tremens (DTs)?</li><li>• Had hepatitis or other liver problems?</li><li>• Felt sick, shaky, or depressed when you stopped?</li><li>• Felt "coke bugs" or a crawling feeling under the skin after you stopped using drugs?</li><li>• Been injured after drinking or using drugs?</li><li>• Used needles to shoot drugs?</li></ul>	<input type="checkbox"/>
6. Has drinking or other drug use caused problems between you and your family or friends?	<input type="checkbox"/>
7. Has your drinking or other drug use caused problems at school or at work?	<input type="checkbox"/>
8. Have you been arrested or had other legal problems (such as bouncing bad checks, driving while intoxicated, theft, or drug possession)?	<input type="checkbox"/>
9. Have you lost your temper or gotten into arguments or fights while drinking or using other drugs?	<input type="checkbox"/>
10. Are you needing to drink or use drugs more and more to get the effect you want?	<input type="checkbox"/>
11. Do you spend a lot of time thinking about or trying to get alcohol or other drugs?	<input type="checkbox"/>
12. When drinking or using drugs, are you more likely to do something you wouldn't normally do, such as break rules, break the law, sell things that are important to you, or have unprotected sex with someone?	<input type="checkbox"/>
13. Do you feel bad or guilty about your drinking or drug use?	<input type="checkbox"/>

The next questions are about **your lifetime experiences**.

14. Have you ever had a drinking or other drug problem?	<input type="checkbox"/>
15. Have any of your family members ever had a drinking or drug problem?	<input type="checkbox"/>
16. Do you feel that you have a drinking or drug problem now?	<input type="checkbox"/>

**Count the number of checked boxes. But skip questions 1 and 15. Here is what your score means:**

**0 to 1:**

You probably do not have a problem with alcohol or drugs. But if you think you may have a problem, see your doctor or another health professional.

**2 to 3:**

You might have a problem with drugs or alcohol. If you or someone you know is concerned about your substance use, see your doctor or another health professional.

**4 or higher:**

Your drinking or drug use habits may not be safe or healthy for yourself or others, and you may be addicted. If you do not seek help, your substance use may cause serious problems. See your doctor or another professional for help.
