JENN BIEL!**

Jennifer Brooks Biel has developed a love for holistic health and wellness after walking through two major healing journeys herself. Helping others understand the impact of emotional health and healing on long term health and vitality has become a true mission in her life. To see people living vibrant lives full of vitality, freedom, and peace using tools that God has given us on this earth are at the cornerstone of her purpose. She is a homeschooling mother of three, a wife, Emotional Polarity Technique Practitioner and Holistic Health Practitioner.
